Do you know about Blind Golf?

Blind Golf Scotland is a registered charity whose purpose is to provide access to training, support and competitions to registered blind and visually impaired people in Scotland.

We organise a season of events around Scotland that lead to a national Order of Merit as well as training events.

If you know of someone with a **visual impairment** who would like to continue golfing, or looking for a sporting activity, please encourage them to get in touch.

Active members have ranged from 14 to 97 years of age and all genders are welcome.
